

JobSub - Bug #6193

krbrefresh.sh isn't documented and is hardcoded for Analysis role only

05/07/2014 04:08 PM - Dennis Box

Occurs In:			
Description			
<p>/opt/jobsub/server/admin/krbrefresh.sh is supposed to be run periodically via cron but this was not documented properly so operations never set it up. Also, its hard coded to only update Analysis role. Fix these problems</p>
