Experiment:	-	Stakeholders:	
Description			
Build configure options need to be on the command line of the trigger script, optionally.			
ALso, a flag to look at git modules in the current directory and pass them with their respective commit id's to the build trigger would be good. (3.4 in requirements)			

History

#1 - 09/09/2014 10:26 AM - Lynn Garren

- Status changed from New to Assigned

#2 - 11/18/2014 04:37 PM - Erica Snider

Completed

#3 - 11/18/2014 04:38 PM - Erica Snider

- Status changed from Assigned to Resolved

Forgot to move to "resolved" in last update

#4 - 02/10/2015 10:21 AM - Lynn Garren

- Status changed from Resolved to Closed
