mrb - Bug #7042

mrb v1_01_08 does not allow changing qualifiers with mrbsetenv

09/22/2014 12:01 PM - Brian Rebel

Description

I am trying to build the novasoft code using the above version of mrb. I would like to change my build from being one set of qualifiers:

e6:debug

to another

e6:debug:grid

I tried to do that with

mrbsetenv e6:grid

as suggested by Lynn, but that produced this output:

----------- check this block for errors ----------------------
setup_products debug info: ignoring e6:grid
