Description			
From Alessandro:			
Dear Kurt,			
we found a problem in the run controller with unix based fcl files.			
Do you think that for you is feasible to change the generation of fcl files in the ruby script adding the carriage return at the end of the line?			
This can be done with minimal changes as it follows:			
<pre>print my_text.gsub(/\n/, "\n\r")</pre>			
Thanks			
Alessandro			

History

#1 - 09/23/2014 04:12 PM - Kurt Biery

- Status changed from New to Assigned
- Assignee set to Kurt Biery

#2 - 09/24/2014 10:24 AM - Kurt Biery

- Status changed from Assigned to Resolved
- % Done changed from 0 to 80

I modified ds50daq/scripts/ds50MasterControl.rb to include this.
