Target version:		Spent time:	0.00 hour
Description			
Install sam_web_client v1_9 in /cvmfs/oasis.opensciencegrid.org/fermilab/products/common/			

History

#1 - 10/15/2014 02:20 PM - Robert Illingworth

Dave Dykstra has pushed an update to oasis - it should show up in a couple of hours.

There's also a new cvmfs repository - fermilab.opensciencegrid.org - that is automatically synched with `/grid/fermiapp/common/products.v1_9` is already in that one.
