

Integrated Engineering Group Website - Support #7756

Move website to CD Central Web Services

01/31/2015 10:21 PM - Kyle Hazelwood

Status:	Assigned	Start date:	01/31/2015
Priority:	Low	Due date:	04/01/2015
Assignee:	Kyle Hazelwood	% Done:	0%
Category:		Estimated time:	20.00 hours
Target version:		Spent time:	1.00 hour
Description			
The virtual server for the existing website is obsolete and will be decommissioned. I will move the website to the Computing Division Central Web Services and give it a face lift.			

History

#1 - 01/31/2015 10:28 PM - Kyle Hazelwood

- Description updated

A new virtual server has been created for this. The url is currently in use for the old site but will have to be moved once the new site is ready.

- Production: <http://www-inteng.fnal.gov>
- Development: <http://www-intengdev.fnal.gov>
- Integration: <http://www-intengint.fnal.gov>

The web group is WEB-INTENG. The content path is /web/sites/www-inteng.fnal.gov/. Documents for developing this site are available at https://fermi.service-now.com/kb_view.do?sysparm_article=KB0011347.
