Description

This ISSUE tracks SLF6 migration of Minos interactive computing at Fermilab.
The goal is to shut down the old minos50-54 hosts, retiring SLF5.

Initial testing should be done on minos-slf6 and minos60.

Please report issues here or to minos-admin@fnal.gov .

Subtasks:

Bug # 9332: Can't open TBrowser in root on minos60	**Closed**
