Target version:			**Spent time:**	0.00 hour
Scope:	Internal		**SSI Package:**	
Experiment:	-			

Description

Review how and where module_label is used and whether it can be obtained some other way than via injection into the parameter set.

History

#1 - 12/09/2011 11:53 AM - Christopher Green

- Subject changed from Should module_label be injected into each module? to Should module_label continue to be injected into each module?

- Status changed from New to Accepted

#2 - 06/26/2012 01:34 PM - Marc Paterno

- Tracker changed from Idea to Feature

- Status changed from Accepted to Rejected
