Fermi File Transfer Service - Feature #9246

Add search for a file to the status web page

06/18/2015 02:56 PM - Robert Illingworth

Status:	Assigned		**Start date:**	06/18/2015
Priority:	Normal		**Due date:**	
Assignee:	Michael Gheith		**% Done:**	0%
Category:			**Estimated time:**	0.00 hour
Target version:	x Future Development		**Spent time:**	0.00 hour

Description

Add the ability to search for the status of a given file from the web page. This doesn't need to go back to the server; the json data structure has the information needed, so all that's required is the javascript to search for a name and display the results.
