Target version:		Spent time:	0.10 hour
Description			
Hi,			
I don't seem to be able to change the target version for an issue in the art project. What am I missing?			
Thanks, Chris.			

History

- Status changed from New to Resolved
- Assignee set to Marc Mengel
- % Done changed from 0 to 100

First you need to go into Settings/Versions and create one or more versions/milestones. (along with estimated dates) Then you can pick from those when setting target versions.
