

art - Feature #944

Package ART with source

02/08/2011 02:49 PM - Christopher Green

Status:	Closed	Start date:	02/08/2011
Priority:	Normal	Due date:	
Assignee:	Lynn Garren	% Done:	0%
Category:	Build System	Estimated time:	0.00 hour
Target version:	0.06.00	Spent time:	0.00 hour
Scope:	Internal	SSI Package:	
Experiment:	-		
Description			

History

#1 - 03/09/2011 04:05 PM - Christopher Green

- Status changed from New to Assigned
- Assignee set to Lynn Garren
- Target version set to 0.06.00

#2 - 03/18/2011 12:17 PM - Lynn Garren

- Status changed from Assigned to Closed

cetbuildtools v1_08_00 contains a new InstallSource module.

To use InstallSource, and "include(InstallSource) to your top level CMakeLists.txt file and install_source() to the CMakeLists.txt file in every subdirectory which has source code. This has been done for art.
