Amit Kumar reported on 09/24/2015:

FTS is something that Fermilab needs to work on. I have given access to them. I will ping Mark asking if he has made any progress on that.

XROODT is something I need to work on. I will have that finished by next Wednesday (09/30/2015).

Amit Kumar reported on 09/28/2015:

Today we got the first step towards setting up FTS. Michael Diesburg(<diesburg@fnal.gov>) from Fermilab is now on FTS and working through the install from his end.
