

NOvA Production - Feature #9966

Feature # 9965 (Assigned): Diblock mask issues

Make diblock mask accessible by SAM

08/28/2015 11:21 AM - Alexander Himmel

Status:	New	Start date:	08/28/2015
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		Spent time:	0.00 hour
Description			
Allow datasets to be easily created which include only the 14-diblock data. Requires making SAM aware of an external database.
